

November 2007

97 | Gewurztraminer Alsace Sélection de Grains Nobles 1989

“ After nearly 20 years, this is drying out a little, but is losing none of its intensity. Smells of antique shops, hard candy and dried citrus, and persists on the palate with dried apricot, citrus and spices. Has great cut and staying power. Drink now through 2020. 500 cases made”. –BS
