Tasting notes

Eye : limpid, pale yellow colour with light green highlights.
Nose : delicate fragrances of lime-blossom mixed with lime and citrus fruit aromas, with a slight touch of minerality characteristic of this grape variety with its strong character.
Mouth : dynamic, enhanced by a nice acid freshness; racy, round and powerful, it is, nonetheless dry and gastronomic.

Food & Wine

A very nice, fresh and pleasant wine that marries well with seafood, shellfish, carpaccio of fish or marinated, fish in sauce, grilled meats and fish terrines, as well as vegetable curry, eggplant lasagna...

Origin

Estate grown organic grapes; various hill-sides around the little village of Bergheim with a predominance of heavy soils compound by clay and limestone.

Vintage

Despite the chaotic weather conditions observed throughout the year 2021, the professionals welcome the high-quality wines produced.

After a rather cold start of the year, the end of winter was relatively mild and well-watered thus allowing an early bud burst, exposing the vines to dreaded frosts from April till May. It wasn't until June to see a mild weather set in and the growth of the vine literally explode. It was during this period that important rainfall being recorded, favoring the development of mildew and madding conditions extremely difficult for the vinegrowers to intervene. The weather conditions fortunately became much more favorable again from August allowing to approach harvest more serenely.

A vintage of small quantity which will offer wines typically Alsatian, very fresh and aromatic, tense and pure, crunchy, very attractive and pleasurable to drink.
